Important Please make sure that if you enter internationally that the qualifications for you and your horse are correct, these should be sent with your entry to your FN.

For competitors and horses arriving from outside Germany: please make sure that you have the appropriate travelling papers and health certificates for your horse with you. These will probably be controlled by the local state veterinarian.

The OC also needs your e-mail-address (so the OC can confirm your entry, send you important information and the time schedule) and your mobile number (in case of emergencies)

All horses that take part in international competitions **must be stabled at night** for the time of the competition (stable closing times will be announced nearer the event). **The costs for stabling are 100.00 €** (this includes straw/shavings and MCP fee). This fee must be paid when the entries are made. **Closing date for entries: 19.03.2010.**

Only one crew car per rider will be allowed to go round the course.
No cars are allowed in the Vet-gate area. Cars must be parked in the car park.

Hotel and room-bookings can be made through the
