TO BE PUBLISHED VERBATIM IN ALL SCHEDULES**THE FEI CODE OF CONDUCT
FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1005, Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

World Arabian Horse Organization

7 AND 8 YEARS OLD WORLD ENDURANCE CHAMPIONSHIP COMPIEGNE 2009

World WAHO Breeding Trophy for Young Endurance Horses Regulations

A World Breeding Trophy, sponsored by the WAHO, is organised by Compiègne – Endurance during the FEI 7 and 8 Year-Old World Championship.

Except for unknown breeding horses or those without any breed specified in their passport, all the placed horses are taking part in the breeding challenge whatever their native country and the nationality of their rider. The breed that is taken into account for the Trophy is the one that is written in the passport, except in the case of the presentation of an official registration document to a stud-book or to a registry, to be shown with the passport at the time of the first vet inspection.

Foreign horses named as Part-Arabian are assimilated to the french Half-Arabian horses, horses they compete with. The qualified Arabian-Barb horses compete with the Barb horses.

No entry is required to take part in the Breeding Trophy. The first placed horse in this class obtains one point, the second placed : two points, and so on until the last placed one.

The World breeding Trophy will be established as following :

Each horse placed in one of the 2 races (world championship 7 years and world championship 8 years old) will get a number of points identical to his place. For exemple : 1 point for the first, 2 points for the 2nd 3 points for the 3rd place etc..... The equal will receive the same number of points.

For every breed the 3 horses with the less points will be selected (7 and 8 years old world championship.)

If a choice has to be made the 7 years old horse will be taken.

The breed that gets the minimum number of points wins the Trophy ; then the other breeds are placed following the ascending order of the scores, while the breeds that will only count two placed horses will come after.

A work of art will be awarded to the three horses that will share the victory of the Breeding Trophy.

A souvenir will also be awarded to the three horses representing the second and third placed breeds.

The chairman of WAHO, the doctor Hans NAGEL will personally give the prizes.

Also, a dotation is expected for the horses that are placed.

The prize-giving of the breeding challenge will immediatly follow the one of the 7 and 8 Year-Old World Championship.

The riders that are placed in the Breeding Trophy will present themselves with their horse in hand.
